For Immediate Release

On February 1, 2010 at approximately 3:19 PM, a City of Vallejo street maintenance worker was attacked and robbed in the area of Vallejo High School. The city worker was operating City of Vallejo construction equipment.

The worker was operating a city owned back-hoe in the area of 640 Broadway St. While passing the location an unknown subject described as a black male juvenile threw an object at the city vehicle. The worker drove back to the location in an attempt to contact the suspect for a police response. He exited the vehicle and was then attacked by several black male juveniles; eventually being knocked to the ground where he was swarmed by what appears to total over 40 people. The city worker received serious injury including a fractured skull, fractured jaw, broken teeth, and a fractured collarbone.
